

HIGHWOOD IS PLANNING ITS' FUTURE

YOU ARE INVITED TO A COMMUNITY WORKSHOP

The City of Highwood and the planning firm of Houseal Lavigne will be hosting a community workshop on Monday, February 1, 2010 at 7:00 p.m. (in English) and Wednesday, February 3, 2010 at 7:00 p.m. (in Spanish). The purpose of the workshop is to gather community input into the update of the city's comprehensive plan.

A comprehensive plan is a land use document that provides the framework and policy direction for land use decisions. It is also a statement of goals and objectives that establishes a community's vision for the future.

It has been over 10 years since the city's plan has been updated and we want you to be part of this important step in shaping our future. Your participation can help shape the future of our city.
