**ORDINANCE NO \_\_\_\_\_**

**AN ORDINANCE ADOPTING A NEW OFFICIAL ZONING MAP FOR THE CITY OF HIGHWOOD**

WHEREAS, Zoning Districts and related land use restrictions are enabled by the State of Illinois through the Illinois Compiled Statutes, Chapter 65, Article 11, Division 13, which grant incorporated municipalities within the state the legal power to adopt Zoning Ordinances, Maps and Districts; and

WHEREAS, these statutes clearly state the purpose and rationale of enacting Zoning Ordinances, Maps, and Districts such that “to the end that adequate light, pure air, and safety from fire and other dangers may be secured, that the taxable value of land and buildings throughout the municipality may be conserved, that congestion in the public streets may be lessened or avoided, that the hazards to persons and damage to property resulting from the accumulation or runoff of storm or flood waters may be lessened or avoided, and that the public health, safety, comfort, morals, and welfare may otherwise be promoted, and to insure and facilitate the preservation of sites, areas, and structures of historical, architectural and aesthetic importance; the corporate authorities in each municipality have the following (zoning) powers”; and

WHEREAS, the City of Highwood periodically updates their Zoning Ordinances, Maps, and Districts to reflect changing socio, economic, and demographic trends; and

WHEREAS, the City of Highwood last amended their Zoning Map by Ordinance 14-O-7 in April 2018; and

WHEREAS, the City of Highwood has approved several new developments as well as amended the commercial Zoning Districts in the downtown to better reflect recent construction trends and better attract more developers interested in mixed-use and transit oriented developments; and

WHEREAS, the City has invested in access to digital mapping that will allow for more frequent updating and more accurate accounting of all zoning actions which may create changes to the Official Zoning Map; and

WHEREAS, the Official Zoning Map to be adopted by this ordinance is a direct result of all these changes and investments,

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF HIGHWOOD, LAKE COUNTY, ILLINOIS, as follows:

- (1) EXHIBIT A attached to this Ordinance is an exact facsimile of the Official Zoning Map of Highwood.
- (2) The Official Zoning Map of Highwood shall be kept in a place of accessible public viewing within City Hall at all times and shall be accessible on the city’s website.
- (3) The Official Zoning Map of Highwood shall be amended from time to time as needed based on changes made to various Zoning Districts, which may include resident, developer or city initiated changes to the Zoning Ordinance, Districts or Maps.

(4) All future amendments to the Official Zoning Map shall always be made by Ordinance and shall be listed on the Official Zoning Map for future reference and interest.

This ordinance adopting the Official Zoning Map shall be in full force and effect from and after its adoption and publication in pamphlet form (which publication is hereby authorized) as provided by law.

**AGENDA MEMO**  
**Committee of the Whole**  
**February 17, 2026**

**ISSUE STATEMENT**

Consideration of quotes received for the residential streetscape project for posts and signage.

**BACKGROUND/HISTORY**

Over the past several years, the City’s Beautification Committee has recommended the council to replace residential street signs and posts in the residential neighborhoods in Highwood. City staff has completed the sign inventory and has received formal quotes from vendors for materials and installation of new residential street posts and signs.

Two of the three vendors we received bids from are full-service bids that include materials and installation. The city could proceed with purchasing the materials from a vendor who does not do installation for potential cost savings but will run risk of misaligned parts and communication between the city, and material vendor, and installation vendor.

Staff would prefer to proceed with a vendor who can source materials and perform the installation by acting as a one-stop shop for the project.

<b>City of Highwood Streetscape Project</b>				
	Sign Materials	Installation Labor	S-E Inc. Installation	Total
High Star Traffic	\$ 189,603.05	\$ 125,000.00	-----	\$ 314,603.05
IC Signs	\$ 102,197.00	\$ 137,941.00	-----	\$ 240,138.00
ACP International	\$ 77,047.00	-----	\$ 105,000.00	\$ 182,047.00

**STAFF/COMMITTEE RECOMMENDATION**

Staff recommend approval of a contract submitted by IC Signs of Highwood for the Residential Streetscape Project at a cost not to exceed \$240,138.00

**ALTERNATE CONSIDERATION**

The city council could approve a contract for materials only and staff could solicit bids for installation to be considered at a future meeting.
