

Help shape the future of District 113

Township High School District 113 will host two community engagement sessions in April to provide all interested stakeholders with an opportunity to weigh in on our strategic plan.

Join us on:

- **Wednesday, April 27** from 7-9 p.m. in the library at Deerfield High School, 1959 Waukegan Road (come early and take a tour of the new facilities at 6 p.m.), OR
- **Saturday, April 30** from 9-11 a.m. in the student commons at Highland Park High School, 433 Vine Ave.

Both are open to all District 113 community members and will follow the same format.

Our four key areas of focus are:

- Curriculum and instruction
- Leadership and governance
- Finances/budget
- Community engagement
