I am requesting this inspection and I understand it is the current owner's responsibility to pay for and arrange the building compliance inspection. Further, I understand that if items are found in violation of the City of Highwood ordinances, including the property maintenance ordinance and/or the City of Highwood health and housing codes, these violations must be corrected in a timely manner to avoid enforcement action. **It's the responsibility of the current owner to request and deliver to the purchaser a copy of the inspection report prior to executing the property transfer contract.**

In addition to this application, please provide a Plat of Survey for the property. Also, any commercial/business tenants must apply separately with the City for a Certificate of Occupancy prior to opening a new business.

Prior to the sale of the property contact City Hall and complete the [water service move-in/move-out form](#).

To schedule your **property transfer inspection** please email Ted Monroy at tmonroy@cityofhighwood.org and attach this completed form and make payment at City Hall.

If you should have any questions, feel free to contact the City of Highwood Building Department at **847.432.1924**.
